

HUTTON CE PRIMARY SCHOOL

NEWSLETTER

10th February 2017

Dear Parents,

Weston Brass Opportunity

Last week we were delighted that two members of Weston brass band came to show the pupils some of the instruments from the band. They have a fantastic opportunity that for those children who are interested in learning a brass instrument they would lend an instrument free of charge and provide free weekly lessons (after school on a Tuesday) for 3 months. After which if the children would like to continue they can join the training band and continue with the instrument for a small hire fee. This is a brilliant opportunity for our pupils and we are very lucky they have offered this at Hutton before any other schools! I do hope some pupils take up this chance.

The children will need to practice for a short time daily (rather than once a week) as they need to master the mouth position before they can get a sound from it.

If you are interested please speak to the office.

Mile a Day

We are continuing with this initiative as it is proving to be very successful. Whilst it is muddy on the field we have told all the children that they need to be changing into jogging bottoms and trainers or wellies for this activity. If the children are on the field at lunchtime-again they are supposed to be changing so that they do not get themselves covered in mud.

Reading Meeting

Mrs Amos will be hosting a reading meeting for Reception and KS1 parents on Thursday 2nd March at 2:00pm which will finish before school. (this is a repeat of the meeting on 1st February.) Please let the office/your class teacher know if you are going to attend.

Star Writers Congratulations to the following pupils who earned Star writer awards this week.

YR: Elliot Nutt-Hunt

Y1: Toby Young

Y2: Bradley Nott

Y3: Tilly Taylor

Y4:

Y5: Harry Cekaj

Y6: Georgia Gibson Tuck
