Wednesday 6th February 2018

Dear Parents

I want to let you know about a few events we are putting on for parents to support you in helping your child with their learning.

Firstly there is a **Maths meeting for parents** of children in Y1-Y4 at 3:30pm on Monday 19th-the first day back after the holiday. Our staff will supervise the pupils for free during this time to enable parents to attend. It is really important that you are aware of the new expectations in maths (it is very different from when we were at school!) and we have an outside speaker coming to talk to you.

Secondly we are putting on an **Online Safety training** for parents as a Kaleidoscope event (and therefore will be held in Ashcombe Primary School on Tuesday 27th February at 6pm). This is always a fast moving topic, and if you are concerned about how to keep your child safe online it is vital that you attend! Again we have a very good outside expert coming to talk to parents. Please let your class teacher know if you are able to attend as we need to know for numbers.

Congratulations

Congratulations to our Y6 team of Harry C, Jayden, Lottie H, Sophia HB, India, Max, Harry T who represented us at a Kaleidoscope netball event-where they came in second place.

Well done also goes to our some of our Y3 mathematicians - Matteo, Cassidy, Liam and Louie who represented us at a Kaleidoscope Maths challenge.

Presentation Superstars.

Congratulations to last week's winners:

YR: James Lewis

Y1: Isla Wrigglesworth

Y2: Isis Topham

Y3: Sophia Foster

Y4: Freddie Caple

Y5: Ilana Davidson

Y6: James Newark

Diary Dates

Wed 7th Feb: Y4 Hooke Court Residential
