Dear Parents,

Extra support for your child

Exemplar Education offer online support for maths and English for all age groups. We are sending a leaflet home today to let you know about their services. Whilst we are not endorsing this company over any other, we are offered a few spare online licences for school to use if parents return the form - whether or not you accept their offer or just return saying you are not interested! Therefore please could I request that you **return the forms tomorrow**- whether it is **yes or no you are not interested**. Some parents do request advice on where to get support from time to time, and this is more economical than a private tutor. One licence covers all pupils in the household.

Book Opportunity

We have been informed from a parent who uses Toucan box book sellers that they are offering a free box of books to parents and a £5 donation to school for everyone who tries a Toucan box of books. You need to quote code **school18-c2a8adfc**

Please let school know if you are interested in doing this (so we can keep track of any donations to school).

Thank you.
