

HUTTON CE PRIMARY SCHOOL

NEWSLETTER

Tuesday 17th April 2018

Dear Parents,

You will soon be getting a letter regarding the game 'Fortnite' that Mrs Lovely will be sending out. Please look out for it.

You will have recently received the latest copy of the Vodafone Digital Parenting magazine. This is a fantastic guide to many issues you may face either in your own use of technology or that of your children's digital lives.

Whilst the entire magazine is well worth reading, the articles which you may find most useful are:

Pg16- Once upon a virtual time (aimed at parents of young children)

Pg26- Quality time- how much screen time is too much?

Pg30- Social media & Body Image

Pg38- Awkward conversations and how to have them

Pg40-45 Useful parent guides to filtering and parental controls.

Tree Planting

Last week each class successfully planted a horse chestnut sapling that school have grown over the past few years from conkers from the Hutton Village tree. We had permission to plant them in the woods above school and the whole school sang a song written especially for the occasion by Mr Holdaway.

Y5 representatives planting their sapling

Walking up to the woods
