NEWSLETTER

11th September 2018

Dear Parents,

Welcome Back

Hope you all had an enjoyable summer holiday and your children are ready for the new and exciting year ahead.

Thank you on behalf of all the staff here for the lovely gifts of all kinds received at the end of term. Very kind and much appreciated.

You will see from the diary dates already circulated for Term 1 we have a very busy curriculum.

Routine Dental and Medical Appointments

On reviewing our parent signing in and out slips we have noticed a growing trend in children leaving school for routine dental and medical appointments, these should ideally be booked outside school hours or in the school holidays. We encourage this discipline to avoid disruption in your child's learning and to the class as a whole.

Reception Class Outdoor Play area

We are very proud of the new outdoor play development area just finished this week for our new reception class intake. Funds were raised for it from a Lottery Grant.
