Dear Parents,

Absence line reporting

Thank you to all parents who diligently report absences on our dedicated line. We would ask that you provide us with a specific reason for absence - "unwell" isn't adequate. We can assure you that this information is treated confidentially.

It is important that we have an accurate record of why pupils are not in school. Some people are phoning in sick when they are actually going away for the weekend. Please do not do this. It has a knock on effect on both your children and school. Children always talk about where they have been and it is not fair or helpful to encourage them to lie about being ill. In addition school has to report outbreaks of sickness to the health authority and it is not helpful if this is fictitious data as it means we have to spend school funds on additional unnecessary cleaning instead of on your child's education. Thank you for your cooperation.

Dogs in school

We do have a school dog that the pupils read to. It has been trained and checked by a vet as being suitable to be in school. It is removed off site at intervals during the day to ensure our site stays clean and healthy for the pupils.

Although I am sure you all love your dogs, we don't know them so please can I remind you that **dogs are not allowed on the school site.**

Fire

As many of you will know there was a fire on the Oldmixon industrial estate yesterday. As a precaution we closed all the windows and kept pupils inside yesterday afternoon until it was cleared. This is part of our usual 'invacuation' procedure if anything occurs in our vicinity. All was carried out calmly and quietly and the majority of pupils were unaware of it except that one class missed their 'mile a day'.

Firework Display -

As part of Kaleidoscope MAT there will be a firework display held again this year. Please see Flyer attached
