

HUTTON CE PRIMARY SCHOOL

NEWSLETTER

2nd October 2018

Dear Parents,

Knowledge Organisers

Your child will have come home with a 'Knowledge Organiser' this term related to their topic. On it you will find some key vocabulary and definitions that are going to be useful to the children during their topic. It would be really helpful if you could support your child in learning to read these words and to understand the key definitions to enable easier access to their topic work.

Thank you for your support.

Meeting Reminder

KS1 (Y1/Y2) and Y3 Maths meeting will be on Tuesday 2nd October and Upper KS2 (Y4/Y5/Y6) will be held on Thursday 11th October - both starting at 6pm. Please let the office or class teachers know that you will be attending. During these meetings we will be talking about how we teach maths in school, showing resources we use and giving tips and advice on how to support your child in maths, and giving details of the expectations per year group. We will also be sharing some SATs questions to let you know what the pupils are working towards.

Hands Up

In order to get all the children quiet we put our hands up- children need to stand still, stop talking and listen to the teachers instructions.

Please can you help the staff in the morning by reinforcing this with your children- feel free to put your hands up too. It really is effective and does make the school a much more welcoming place as we do not use bells/buzzers or whistles throughout the day.

Safeguarding/Health and Safety News

So far this term we have had both an 'invacuation' and evacuation practice. Both were conducted effectively and efficiently and pupils behaved impeccably throughout.

Congratulations to our Superstars

R - Isabelle Wigglesworth

Y1 - Rosie Woodrow + Florrie Rowden

Y2 - Jamie Gane

Y3 - Dexter Eddins

Y4 - Kayden Temblett

Y5 - Erica Hambley

Y6 - Rose Edwards
