24<sup>th</sup> January 2019

Dear Parents,

### Breakfast Club

Whilst we await the Hooops room refurbishment we are going to trial using the meeting room rather than the hall for Breakfast Club. This is located adjacent to the Main entrance/reception. This means that from **Monday 28<sup>th</sup> January**, children arriving for breakfast club will be able to gain access through the main front door. Please enter the reception lobby and ring the doorbell (located to the right hand side of the inner door). Please stand close to the lobby door so staff can identify you as you enter. The door will be released remotely by a member of staff. We will let you know how the trial goes.

This does not affect the After School Club

Parent Forum - 29<sup>th</sup> January at 6:00pm in School Hall.

Please let the office know if you would like to attend. There is no set agenda - parent questions from the floor or let us know beforehand if you want detailed information.

### Congratulations- Wassailers
