Dear Parents

Wow-what a busy term- with fabulous dancing at the playhouse- I was so proud of Y2 and Y3- they were definitely the best dancers! Y4 sang wonderfully at the Highbridge Festival and came back with trophies from both categories they entered - singing two worship songs and three songs with harmony- well done everyone! We have also now completed the trips to Mendip Outdoor pursuits- Y3 tobogganing and bushcraft, Y4 climbing and archery, Y5 abseiling and caving and Y6 orienteering and achieving the Mission Impossible! All the children (and staff!) did well on these trips - some of our pupils were like little mountain goats up the climbing walls- and the group I went caving with explored every narrow gap in the cave (some of us were left with the bruises to prove it!) But a fabulous time was had by all year groups.

If however you decide to provide your own you must let the office know 48 hours before the trip.
