

HUTTON CE PRIMARY SCHOOL

NEWSLETTER

2nd April 2019

Dear Parents

Kaleidoscope Challenge

Congratulations to Livvy and Louie from Year 4 and Hayden and Daisy W from Year 5, who worked together as Hutton Maths Team to win this year's Kaleidoscope Maths Challenge, a yearly maths competition held between the six Kaleidoscope MAT schools. The competition was fierce, involving eight teams, but Hutton won through using determination, perseverance and super teamwork. They tackled problem solving, reasoning and fluency questions using the maths that they knew to make links and explain their reasoning. Well Done Team Hutton!!!

Comic Relief

A big thank you to all pupils who took part in Comic Relief, we had a visit from the local Mercury and made the front page! We raised a total of £172
Thank you all for your kind donations.

Spelling Bee

In our Spelling Bee today, all our pupils got down to the final 10 in their year groups.
Archie Y3 came first. Year 5 were very strong with Frankie coming second and Prudence coming third. Livvy Y4 came third and Ralph Y1 came fifth. Congratulations to all who represented us so well!

Attendance

We would like to share the fact that we have an amazing 110 children who are at or above our school target of 97% attendance, We have another 42 around 95/96% and look forward to seeing those children increase to meet this target going forward this Spring. We also have 30 children on 100% attendance for the whole year-well done everyone keep this up!

Cake Sales

Recently I have had some correspondence regarding the frequency of the cake sales. The idea for regular cake sales was brought up by parents after Christmas so we decided each class would provide cakes once in the year over a fortnightly period. On reflection I agree with parents who are raising the issue of it being a little too often.

As we only have two year groups left we have decided to run Y5's on 26th April as planned and postpone Y6's for a week until 17th May. We do really appreciate the cake contributions and all of you who have spent money purchasing them to raise significant funds for school. We will bear the frequency in mind for any future events.

Forest School - in the holidays!

This will be running on the mornings of Monday 8th and Tuesday 9th April in school 9:30-12:30. £15 per session (£12 for each additional sibling). Payments in advance. Tel 07905 841830. Email- WEAReNatureFS@outlook.

Transend Skatepark

Transend Skatepark consists of a bunch of people from local churches around Weston who want to see a safe, welcoming and vibrant place for the local skate, scooter and BMX community. The ultimate vision would be an indoor skate warehouse that serves to accommodate this and much more.

From 12 people setting off on this journey in November 2017 and launching our first Transend Skatepark at the Tropicana in February 2018, we have seen a community start to grow from beginners to professionals, young and old, families and groups, who have all utilised the skatepark that we put on.

Now currently on our fifth event, Transend Skatepark goes from strength to strength. And what really makes this adventure stand out is that it is run by volunteers and is steered with ideas and dreams from the young people who have a heart and passion in the skatepark. We also have amazing craft every day which the majority is free (afternoon craft is sign up for a small fee), an area for parents to chill out in, games zone with consoles, table tennis, table football and pool, and access to the Bay café at the Tropicana.

Most of all, we exist to serve the local community who, without them, this simply wouldn't run. So, if you want to check us out and see what we are about, find us on the web, follow us on Facebook and Instagram, and why not book in by going to our events page. We look forward to seeing you from 8th - 12th April at the Tropicana.
