5th September 2019

Dear Parents

A very warm welcome back to the new school year, and welcome to all our new families, both in reception and older year groups.

This week we start our **Curriculum Meetings**- with Y1 and Y2 being held **tonight**. Please can I urge you to attend these meetings- they are not very long, school age children will be supervised on the field, and this year we are introducing some new information regarding our Knowledge Organisers and our homework so it is really important that you attend.

Our Out of school hours childcare provision (known as **Hoohps**)—which runs Monday to Friday has a new booking system. I appreciate there have been one or two teething issues the first day back. However we think it is now sorted and in order to book a place, you need to log onto parent pay- and pay for the sessions that you want- this will generate a booking for your child. If there has been any historical debt it will take that off before it will book your next session. So please ensure you keep this up to date – it is pay before you use the service- or your **child will not be booked** into the club. Thank you.

The knitted Bible is coming to St James' Church, Winscombe in September- please see attached if you are interested.

On Saturday last I attended the **Horticultural Show** where all the children's hard work- handwriting, African animal drawings and landscapes were displayed. It was lovely to see the work they children had done on display and I was incredibly proud of it. When I started here only a few examples were chosen to be sent and displayed, However I introduced the idea that every child's work would be displayed. Initially, there was a vast difference between the handwriting- it was very easy for the judges! Now however we make it extremely difficult- because every child's work was something to be proud of! Well done children.

Luci Amos
