Dear Parents,

Disco

A big thank you to Mr and Mrs Gillett for running the Disco for us last week and to all the parent helpers.

We raised £381.75

Thank you for all your support.

Anomaly Board

You may have noticed an electronic board by the school gate.

This will now be providing parents with useful information and messages. Please check it daily- be aware that the messages at the top of the board are school related, the ones at the lower half are more general information. They will be on a loop so please make sure you keep an eye out for any important information on there.

Parking

It has been brought to our attention that cars are blocking residents driveways outside our school – Please make sure you are not parking or stopping across anyone's driveway.

Book Colours

White
Gold
Purple
Turquoise
Orange
Green
Blue
Yellow
Red
Pink (dark)
Pink (light)

As children learn to read they use books which are banded into colours to ensure that they are given just the right amount of challenge to move their learning on. Books which are either too easy or too hard may mean that they lose interest in reading.

To be at the expected level for their year group, children should be confidently and competently reading *and understanding* the following colours at the end of the school year;

End of Reception; at least Yellow

End of Year 1; at least Orange

End of Year 2; at least White

In KS2 children may stay on the coloured book bands, or they may move onto choosing from a selection of age-appropriate books.
