Newsletter 17

Dear Parents,

This unusual school year is finally drawing to a close. I want to take this opportunity to say well done to all those parents who have been home educating for the past several months. We know it is not easy, particularly with siblings at different stages, but hopefully you have found the work on the website easy to navigate.

I want to say an enormous thank you to my dedicated staff who have worked incredibly hard throughout lockdown, and during the holidays and have gone the extra mile by making our lipsync videos to keep you all amused! I am sure we all deserve a well-earned rest over the summer.

The details for September's return are in newsletter 18- which is being sent separately as it is very long and detailed.

Farewell to Y6

Our lovely Y6 class will be moving up to a number of secondary schools in September. We usually have a leavers' service at which we remember all their individual skills and talents. I just want to say that I can remember them starting at school, and it is lovely to see how they have matured into wonderful young citizens. I am extremely proud of them. Although they may have missed some of the usual events we do, I know they have the resilience and determination to not let it affect their future prospects. I shall be keeping a look out to see if they make it to the gymnastic Olympics, premier league football, strictly come dancing or the West End - I am sure they will! I would like to wish them all the very best for their futures- and hope they keep in touch with us to let us know their future successes.

Staffing

Our Congratulations go to Mrs Kate Willoughby who has been appointed as classteacher at Baytree Special School as from September. Kate has been a part of the team here for four years and will be greatly missed. We wish her well in her new post.

BELIEVE | ACHIEVE | SUCCEED

In our hands we hold the future

I can do all this through Him who gives me strength. Philippians 4:13

Address	Church Lane, Hutton, BS24 9SN

September 2020

Please READ the newsletter 18- which explains the detailed arrangements for September. It is really important that you are aware of the start and finish times of the day- and the gate you will be dropping off and picking up from. Please be aware this may not be the same gate for both drop off and pick up. Please be aware that if you have siblings in school- the pick up point may not be the same as your friends!

Fundraising

At the beginning of the year we set up an #easyfundraising page.

If you haven't yet signed up then please do so and encourage other family/friends to do the same as every little helps our budget.

It's a great site where you can raise money for free when you shop online. All you have to do is create a FREE account and choose to support Hutton Primary School.

Then 4000 shops and sites (including all the big names like EBay, John Lewis ASOS, Expedia M&S Just Eat and many more) will donate to us for FREE every time you use #easyfundraising to shop with them.

See how it works by watching this 60 second video: <http://efraising.org/Cqr416Ucy8>.

This is a great way to support us for FREE, to create an account just visit our page:

<https://www.easyfundraising.org.uk/causes/huttonprimaryschool>.

Or you can make one off or regular donations on Parent Pay.

We would like to take this opportunity to thank everyone who has donated so far – we really appreciate all the help especially at this time.

Holiday Club

Don't forget if you are looking for a holiday club over the summer, Kaleidoscope are providing one based at St Martins CE Primary School, Worle. Places are filling fast.
