Dear Parents,

Welcome Back

I would like to offer a warm welcome back to everyone in our school community. I am pleased to report that the children have settled well in to the new school routine. This week, the children have had chance to spend time with their previous class teachers and have also visited their new teachers in preparation for the new school year.

We would particularly like to welcome our new children and families to Hutton School. The children have settled in well and have already made lots of new friends.

School gates

The staff are working hard to ensure the staggered start and finish times are running as smoothly as possible. Please bear with us while we sort out issues that are arising, particularly at the end of the school day.

Please can we ask that once you have dropped off or collected your child from school that you vacate the school grounds as quickly and safely as possible. Some parents are congregating around the school gates causing unnecessary congestion. Thank you.

Health care forms

It is important that if your child has any health concerns that you inform us and complete a health care medical form and return it to the office.

In addition, if your child has previously had a health condition for example an allergy to dairy products which they have now grown out of please can you let the school office know.

Breakfast and After School club

Our breakfast and after school clubs are now up and fully running. Breakfast club starts at 7:45am where the children have chance to play and eat breakfast before the start of the school day. After School club runs until 6pm. You can book your child in to either a short session finishing at 4:30 or a long session (Including a snack) finishing at 6pm. Please use the online booking system on Parent Pay.
