Newsletter 3

Dear Parents,

School life continues to adapt to the 'new normal', the children are settled, working hard and appreciating school life after the long Lockdown. It has been lovely to see our new Reception children coming into school over the past week; Mrs Gooch reports that the children are settling well into their new school routine.

Social distancing

All school staff are working extremely hard in school to ensure that the 'bubbles' of children do not mix. Playtimes, lunchtimes and hand washing times are staggered to ensure that groups of children do not come into contact with each other. We have a strict cleaning routine which involves teachers cleaning tables, wiping door handles etc throughout the day. Therefore, it is disappointing to see that all the hard work we strive to achieve during the day is being undone by some at drop off and leaving times. Over the past few days, groups of parents have been congregating at the school gate causing unnecessary congestion. As the rate of COVID infections is clearly on the increase, we all need to play our part to help try and reduce the rate of infections. Therefore, we kindly ask that once you have dropped your child off at school you vacate the area as quickly and safely as possible.

Thank you for your cooperation.

Coronavirus

If you are unsure what to do if your child feels unwell, please visit the School website where there is a guide to help you decide the best course of action.

Please look under the parent section and you will find the link COVID19 guide for parents.

New Reception School Starters 2021

If you have a child who will be starting school next September and would like to visit the school for a guided tour please phone the school office. Please note that all visits will need to take place after 3:30pm once we have dismissed all the children from the school site.

Home Learning

The teaching staff are working incredibly hard preparing a Home learning scheme for each class. In the possible event of your child having to self-isolate at home the government expectation is that all children will continue their education at home. More information will follow over the next couple of weeks.

Lunchtime vacancy

We have two vacancies for Lunch time assistants – if you are interested, please collect an application form from the Office.

Dabaso quiz night

There is still time to book tickets for The Dabaso quiz night. Please see the details below:

Each team will need: A lead person who will book and pay for the team ticket, up to 6 people, a team name, a device with a reliable online connection. Once you have bought your ticket please email hutton.dabaso@btinternet.com and you will receive the link and details of how to join on the night before 25th Sept. Tickets cost £11.37 <https://www.eventbrite.co.uk/e/quiz-online-raising-funds-for-health-and-education-in-dabaso-kenya-tickets-118955018663?aff=ebdssbonlinesearch>
