Dear Parents,

### Social distancing

Please can we remind you all to come to school at your designated time slots, can you queue along the yellow lines and then vacate immediately once your child has gone in. We have had groups of parents standing at both gates – which is also blocking access and exits. We would like to keep everyone safe so please adhere to the rules.

Thank you for your cooperation.

### Y4 and Y5 Pick up time

We are changing the Y4 and Y5 pick up time to 15:15pm this will begin from Monday (28/09/20)

Please could Y5 parents and children make sure they queue up along the yellow lines and not gather in a group by the gate both morning and afternoons.

### Nits

We thought that Lockdown may have eradicated nits but unfortunately it seems this is not so – please could you check your child's hair and treat if necessary.

### Coats

Please could you make sure your child has a coat in school, the children will be going outside at break and lunchtimes and will need to wear one.

### School Gates

School gates will be shut at 8:55am – if you arrive after this time your child will be marked as late in the register. Please can you ensure you arrive within your child's time slot

### Coronavirus

If you are unsure what to do if your child feels unwell, please visit the School website where there is a guide to help you decide the best course of action.

Please look under the parent section and you will find the link COVID19 guide for parents.
