Dear Parents,

Christmas Shoe Box Appeal

Although it seems a little early to be thinking about Christmas, we have started thinking about our annual shoe box appeal here in school. We are requesting that children bring in a small gift that will be sent to a child with very little. Therefore we are asking for donations such as packs of crayons, small pocket toys, small teddy, woolly hat, scarf, gloves, toothpaste and brush, bars of soap, flannels etc. Please bear in mind that these presents must fit into a shoe box so please do not send in large toys. Unfortunately, we are unable to send small packets of sweets. Each class will have a collection box for donations so please do start sending gifts in to school. Thank you.

Harvest collection

Unfortunately due to COVID restrictions, we have not been able to hold our usual harvest service. However, we would still like to collect tins/packets of food which we donate to 'Somewhere to go' – a charity which supports homeless and vulnerable adults. Please place any donations in to the boxes by the school gates. All donations are gratefully received.

Parentpay

Thank you to the parents who are booking their children into breakfast and after school club. It really does help us with the organisation of the wrap around care we offer at school. If you do wish to reserve a place for your child, please use the Parentpay facility.

School Lunches

If you would like your child to have a school lunch it is important that you book your child a lunch on Parentpay.

New Reception School Starters 2021

There is still time to book a guided tour of the school if you have a child starting school in September 2021. Please contact the school office for further details. Please note that all visits will need to take place after 3:30pm once we have dismissed all the children from the school site.

Home Learning

Our home learning schemes of work are now live on the school website. These are only for children who are at home self-isolating and are well enough to work. For any questions regarding home learning please contact your child's class teacher.

The school community

Whilst we are unable to get together as a whole school, the teachers have been thinking about ways in which we can meet virtually. The children enjoyed a whole school worship this week delivered to each class via a Teams meeting. The children were able to engage in the service from the comfort of their own classrooms. Teachers are now planning a virtual whole school celebration worship this week in which special achievements will be recognised.
