Dear Parents,

Christmas Shoe Box Appeal

Thank you for all donations that we have received this week. Please continue to send in small gifts that would be ideal to put in shoebox.

Harvest collection

Please continue to bring in tins and packets of food and place into boxes at the school gates.

Collection at the end of the day.

Please arrive promptly to collect your child. If you are late you need to join the end of the queue as it is frustrating for other parents if people queue jump
Please also do not arrive too early as if your child's class is not outside ready to leave then you are 'blocking the gate' and causing greater congestion. We know it is a fine balancing act - we are all trying to make it work as well as possible and we know it is not an exact science on both sides of the gate!

A parent has suggested that as queues are sometimes forming perhaps parents should wear masks on drop off and pick up. Obviously, this may support and help one another - but like supermarkets we are not going to be taking on the responsibility of checking who is or isn't wearing them - just please be aware that other people may have vulnerable family members or health issues. We want to keep EVERYONE safe. Thank you for your co-operation.

Wellington Boots

We have our very own vegetable patch here at school and the children are responsible for helping look after it. If you have any spare child sized wellington boots at home that you no longer need please could you send them into school for Year 1 to use. We particularly need children sized 10 to adult sized 1. Thank you.

Staffing

We are pleased to confirm that Mrs Cruse has agreed to continue to teach Class 1 and Mrs Gooch Class reception until the end of the school year.

Named Clothing

Please ensure that your child's clothing and bags are all named. We have a large collection of unnamed clothing lying around school.

A parent sent this photo that was taken on Tuesday morning; I thought I would share it with you. During this most unusual year, rainbows have become a symbol of hope and thankfulness both of which we need to keep in mind at present.
