Dear Parents,

It's hard to believe that it is already the end of the first term of the school year. It has certainly been a busy one! We are all incredibly proud by how well the children have settled into the new school routine. They have all worked incredibly hard and deserve a well-earned rest over the half term holiday. Also, I would also like to recognise the dedication of the staff here at Hutton. The teachers, support and office staff have all worked diligently to ensure that the school remains a safe and happy environment.

Handwashing

As we are closely following Government guidance, children continue to wash their hands regularly in school. Over the term, we have monitored how children wash their hands and have changed the brand of hand soap we use. However, we are still finding that children are bringing in their own soap. Please note that unless your child has a medical diagnosis we request your child does not bring their own soap into school. You must only fill out a health care form if your child has a certified medical condition. We are fully sympathetic to the fact that hand washing does cause skin irritation so please ensure that your child applies a perfume-free hand cream before and after school.

INSET day

Monday 2nd November will be an INSET training day. School will reopen on Tuesday 3rd November.

Special menu

On Wednesday 4th November there will be a special Bonfire lunch of Bangers and Mash. Please book your child a lunch via parent pay.

Please see the school website for the new menu which will start after half term.

Staffing

If you need to speak to a senior member of staff at any time please be aware that Mrs Whiting is available Monday to Thursday and Mrs Smith Fridays.
