Dear Parents,

Home Learning

We are expected, by the Government, to provide a full day of education for any children who are unable to attend school because they are self-isolating due to the Coronavirus outbreak. Teachers have been working hard to produce a scheme of work that will match the curriculum being taught in class. These plans are available to view via the Pupil Zone Home learning pages on the school website.

If your child/children need to self-isolate and are well enough to work they will be expected to complete their school work at home. Please see below a **suggested** timetable and timings for home learning.

**Reception class – Please see your tapestry account**

KS1	Year 1 and Year 2
Time	Lesson
30 mins	Phonics
45 mins	White Rose Maths
20 mins	<b>Break time</b>
10 mins	Numbots
30 mins	English activity
10 mins	Reading
1 hr	<b>Lunch time</b>
10 mins	Snappy Maths
45 mins	Foundation subject – History/Geography/Science
30 mins	Physical activity e.g. Joe Wicks/skipping/ Go noodle /Cosmic Kids Yoga/BBC Super movers
10 mins	Reading
10 mins +	Adult reads to the child

KS2	Year 3, Year 4, Year 5, Year 6
Time	Lesson
10 mins	Times tables Rockstars
45 mins – 1hr	English activity
20 mins	<b>Break time</b>
10 mins	Spelling Shed
45 mins	White Rose Maths
20 mins	Reading
1 hr	<b>Lunch time</b>
10 mins	Times tables Rockstars
1 hr	Foundation subject – History/Geography/Science/RE
30 mins	Physical activity e.g. Joe Wicks/skipping/ Go noodle /Cosmic Kids Yoga/BBC Super movers
20 mins	Reading
10 mins+	Adult reads to the child

**Please be aware that in order to support long term learning it is important to learn in small steps and to repeat the learning often. This is why the TT Rockstars are repeated during the day, but are not at the same time as the Maths session- it is better to make the brain work harder and separate them.**

Please take time to familiarise yourself with the plans on the school website. Your child will **only** be expected to complete the work for the particular week(s) they are self-isolating at home.

**KALEIDOSCOPE**  
Multi Academy Trust

## **Maths**

Four days of White Rose maths videos and worksheet will be uploaded to the class page, weekly. The fifth day, Friday, children will be expected to play maths games on either Purple Mash or Top marks. Alternatively, revise, practise or complete any work from this week.

We are expecting children to practise Times Tables Rockstars or Numbots daily. The children will be sent home with their logins for these sites over the next week. Please contact the class teacher if the child has lost their logins.

## **English**

Each class will be set a writing project via the talk4writing <https://www.talk4writing.com/home-school-units/> website. If your child needs to stay at home, they should start the project from the first activity in the booklet. Please see the class plan for more details.

Children will be expected to read and login to Spelling shed daily.

Please continue to log your child's reading on the sheet sent home at the beginning of term.

## **Foundation subjects – History, Geography, Science, RE**

Your child will be expected to complete one of these subjects per day.

## **Physical Activity**

The teacher will not be setting any tasks for PE however we feel it is incredibly important that all children participate in at least 30 minutes of physical activity per day. We have listed some suggested activities and websites that can be completed at home.

## **Workbooks**

Your child will be provided with an exercise book to work in.

Please contact the class teacher via the class email if you need any support or additional guidance.

Finally, I would like to reiterate how important it is that your child follows curriculum plan for their year group. If they fail to do so, they risk falling behind with their learning.
