Newsletter 1

4<sup>th</sup> January 2021

Dear Parents,

Firstly I hope you have had an enjoyable Christmas break and I would like to wish you all a Happy and hopeful new year. I would also like to thank you for the gifts at Christmas – it was very kind and much appreciated.

As I am sure you are all aware there is much talk in the media about the current covid levels and whether schools should or shouldn't be open. We are in a fast moving situation and we will endeavour to keep you all up to date as the situation develops. **Currently all classes are open as usual from Tuesday 5<sup>th</sup> January 2021.**

We have updated our 38 page risk assessment document and there are a number of new things we would like you to support us with to ensure that we can all stay healthy.

- Please do not send children to school if they or any other member of your household is ill. Please book a test, contact school to inform us and do not send the children in until you have a negative result.
- We will continue with the current start and end times while the school is open. Only one adult to drop off and collect; please can you drop and collect your children swiftly. Please **do not congregate in groups outside the main entrance**. Please wear a mask. This could be a key time of transmission.
- We have **amended the exit procedures** to try to speed up the flow of traffic at the gates. If you are entering the pedestrian gate please leave the same way. We are aware the gate is narrow so please ensure you do not block it at any time.
- Please limit the amount your child brings to school.
- Ventilation is a key element to fight this dreadful disease – it will be cold in class in the next few weeks. Children will need to **wear layers under their uniform** to keep warm.
- Staff will be wearing face coverings when moving around the school building and may wear visors when they are teaching.

Our online learning is available on the school website under Pupil Zone for any children who are having to isolate.

Thank you for your patience and support at this difficult time.

Yours sincerely,

Luci Amos and Rachel Whiting
