Newsletter 2

4th January 2021 9:00pm

Dear Parents,

As I am sure you are all aware tonight the Prime minister announced that we are back in a full lockdown starting tomorrow. **This means that school will be closed for all children tomorrow.**

We will be working quickly to respond to the announcement, which we heard tonight at the same time as parents.

We have already established the work online for the children and for tomorrow each year group can access this from the website at the bottom of the Home page under Pupil Zone.

The children should complete the first English and first maths tasks, reading, spelling shed and TT rockstars activities. The rest of the week will be discussed with them at their teams meetings.

Tomorrow we will send a form home so that Critical worker families can inform us if they will need to send their children to school – but as in the first lockdown there will be limited spaces and we will expect this just to be for those with no alternative provision.

We anticipate that our remote learning will start from **Wednesday 6th January for Y1-Y6**, this is when the teachers will be leading Teams meetings for the children to join in twice a day – firstly for an input session and then for a catch up and feedback session. Children will be expected to attend both sessions. Further details will be sent tomorrow.

As I said in my earlier newsletter today we will respond to national changes as soon as possible, please bear with us as we finalise arrangements.

Yours sincerely,

Luci Amos

Executive Headteacher.
