Topic/ Science 1 hr	Map symbols Watch https://www.bbc.co.uk/bitesize/topics/zvstr82/articles/zjdkhbk Read through this powerpoint and click on the links. Look at a section of an OS map. Can you find the symbols for a place of worship, train station, main road, motorway, view point, camp site, picnic area. You may use a map or you may need to use the internet to do your research? Can you find any more?	Compass points? Can you remember the 4 points of the compass that we looked last term? Draw your own compass with the points North, East, South, West. Now can you add of North East? South East? South West? North West? We will look though the Powerpoint at school Choose one of the activities from the worksheet to complete.	Grid References You will be learning how to find a location on a map using 4 or 6 figure grid references. Always remember to go across first and then up. Look through this Powerpoint and using the skills you have been taught complete the Crack the code worksheet using this Map

Believe. Achieve. Succeed. In our hands we hold the future.
