9<sup>th</sup> September 2021  
Newsletter 2

Dear Parents,

I am pleased to report that all the children have settled back into school after the summer break. I would like to offer a warm welcome to all our new Reception children and their families.

### **Messy Church**

Messy Church are holding a picnic this Saturday (11<sup>th</sup> September) at the Scout Hut just off St Mary's road from 3pm to 5pm. There will be fun activities for the children to take part in and there will also be a best dressed soft toy competition. So do not forget to take your teddies along!

Please take a rug or chair to sit on. If wet, the event will be held inside the scout hut.

### **Reading Books**

If your child still has a book at home from last term please can it be brought back into school.

### **Asda**

Thank you to everyone who voted for Hutton in the online ASDA Green Token scheme. We came a close second place and ASDA have donated a very generous £200 to our school fund. We would like to thank ASDA for their generosity.

### **Milk**

All children up to the age of five receive daily free milk. If your child is five or older and you wish for them to have milk in school please contact School Milk Services on 01934 510950 or email

[schoolmilkservices@yahoo.co.uk](mailto:schoolmilkservices@yahoo.co.uk)

Your children will receive milk if they are in receipt of Free School Meals.

### **Knowledge Organisers**

Your child will be bringing home this term's Knowledge organisers.

Knowledge Organisers are 'go-to' documents outlining the essential knowledge that the teachers will be covering across a unit of work; including dates, key personnel, vocabulary, definitions, and other contextual or technical information. As a parent, please feel free to use this as a reference guide for what your child is learning. It would be beneficial to your child if you could discuss the facts about the topic and regularly check in with them to see how much they have learned and can remember!

Please ask your child's teacher if you have any further questions.

### **Curriculum letters**

You should also receive a curriculum letter from your child's class teacher, which will include key dates and information about the class. Please take time to familiarise yourself with these details.

### **PE**

Next Tuesday (14<sup>th</sup>) we are inviting members of the North Somerset PE association into school. They will be running sessions, which each class will take part in. Key Stage 2 children will be participating in the Multiskills Laser Run and Key Stage 1 in the Target Throw Run. Please ensure that your child has their PE kit in School.

In addition to this, Classes 4,5 and 6 will be learning some new basketball skills in their PE lessons this term. These sessions will be again be run by members from the PE association.

I hope that you all have a lovely weekend.
