Dear Parents,

The change in weather this week is certainly a sign to say that autumn is finally on its way! Please can you make sure your child brings a coat into school as we still take the children out at playtime even if it is raining!

#### Harvest Festival

This week, Class Three performed their Harvest Festival to parents. This was a particularly special service as it was the first time that parents had been able to come into school since the start of the Pandemic 18 months ago. Despite not having performed in front of an audience in a very long time, the children did particularly well and sang their hearts out! Well done Class Three,

Thank you to the generous donations of tins and food that that we are collecting for the charity 'Somewhere to go'. There is still time to send in donations if you haven't already done so.

#### Gates

As a respect for the school grounds and staff property, please can you ensure that your children do not run on the grass and in between staff cars whilst you wait for the gates to open. Thank you.

#### Village hall car park

Please can you refrain from parking in the Village Hall car park. The Hall car park is private property and is only for use by those attending events at the Village hall. Thank you.

#### Congratulations

We would like to say well done to Noah in Year Three who took his first ballet exam just before the summer holidays and was awarded Highly Commended. Congratulations Noah and we look forward to hearing how you progress over the next few years.

Have a good weekend!

Rachel Whiting
