

KALEIDOSCOPE

Multi Academy Trust

Ofsted

In July 2022, Kaleidoscope underwent an Ofsted MAT Summary Evaluation visit. This was a rigorous process undertaken by senior HMIs. It involved meetings with Executive Leaders, Head teachers, senior leaders, teachers, support staff, children, Members, Trustees and Governors.

We are delighted with the outcomes and the report that followed which is available for you to read below. All of the next steps identified align with our own evaluation and development plans. We feel that the report demonstrates the hard work of our staff and shows that our vision and values are evident across the Trust.

We have selected a few of the comments from the report:

- *The trust's vision, shared by all of the schools, is one that fosters collaboration while valuing the distinctiveness of each*
- *The trust ensures that school improvement work and the development of policies are 'done with' academy leaders rather than 'done to'.*
- *Staff have many opportunities to develop professionally.*
- *Early career teachers are very positive about the support they receive working for the trust.*
