Writing at Hutton C of E Primary School

Our writing curriculum is designed to provide a broad and balanced education that meets the needs of all children. We follow the award-winning Ready Steady Write from Literacy Counts to develop confident, independent and successful writers with high aspirations.

Our writing curriculum is research-informed and impact-proven, carefully designed to support all children to master the foundational skills and write for a clear audience and purpose. Through the use of high-quality, vocabulary-rich texts, we provide exciting and meaningful reasons to write.

Children are immersed in literature and taught to craft their writing with precision, using a range of pedagogical approaches, including sentence accuracy, modelled writing and shared writing, as well as regular opportunities for editing. We value spoken language as a foundation for writing.

Through structured talk, drama and vocabulary exploration, children learn how to organise and express their ideas clearly before writing them down. Our aim is for every child – regardless of need – to write fluently and take pride in their work.

We want our pupils to leave primary school as enthusiastic writers, ready for the next stage of their education.
