Parking and Speed limit- please can you not park along the main road by the school by the zig zag lines, it is causing lots of problems with traffic and general crossing over to and from school. Please can you also adhere to the 20mph speed limit, many parents and children walk to school along the main road and it's becoming dangerous when cars are speeding and weaving in and out of cars and we want everyone to feel safe on their journey to and from school. Thank you for your understanding.

World Book Day

Thursday 5th March 2026

The children have chosen class themes - this will be what they will dress up as on World Book Day.

For example: if your child is in Year 1 they will pick a character from a Julia Donaldson book. If in Year 4 they will choose a Roald Dahl character.

Reception - Traditional Tales

Year 1 - Julia Donaldson

Year 2 - Janet and Allan Ahlberg

Year 3 - Horrible Histories

Year 4 - Roald Dahl

Year 5 and 6 - Harry Potter/ Fantasy

This week we have been celebrating Safer Internet Day and Children's Mental Health Week.

In our assemblies and in classes, we have been exploring this year's theme of 'Belonging' and 'This is my place' in work around mental health. We have been thinking about how we all fit together in our community and celebrating all of our uniqueness that make us who we are.

If you would like to explore this at home, the link for further resources and support is below.

We have also been celebrating Safer Internet Day. This year's theme has been 'Safer Tech - smart choices - Exploring the safe and responsible use of AI'. Children have watched videos, had discussions, participated in quizzes, played games, made posters and advice sheets about how to stay safe in the ever-advancing world of technology.

There is lots of advice and guidance on the links below if you wish to help further support your child with this theme or other online safety themes at home.
