Parking and Speed limit– please can you not park along the main road by the school by the zig zag lines, it is causing lots of problems with traffic and general crossing over to and from school. Please can you also adhere to the 20mph speed limit, many parents and children walk to school along the main road and it's becoming dangerous when cars are speeding and weaving in and out of cars and we want everyone to feel safe on their journey to and from school. Thank you for your understanding.
