Class News

Year 1 visited St Mary's church for their RE learning about belonging and places of worship. Rev Larissa read them stories about belonging and the Lords Prayer, she showed them around the church pointing out special places and what they use them for. The children asked amazing questions and were really curious and they witnessed a christening of a dolly and how it works. Thank you to Mary Potter who came along to support. Whilst they were there, a wedding delivery of flowers arrived, so the children were shown how a wedding looks and why people get married in a church.

Year 6 went on a trip to Ashcombe Primary School for the 'Singing Extravaganza' this week. They met all of our other MAT schools there for a wonderful morning of singing.

Changes to Free School Meals We shared information on ClassDojo about upcoming changes to Free School Meals (FSM). These changes mean that all families who are currently receiving FSM will need to reapply. It also means that any families claiming Universal Credit may now be eligible for free school meals, which could result in a significant saving on dinner money. The system to recheck and apply is not yet available, but we will keep you updated as soon as further information is released.

SLT Blog

We have had another very busy week this week with successful 'STAY and PLAY' and Home Visits for our new Reception children having taken place. There have been a few new pupils

arrived in other year groups as well this last week as well; so welcome to our new families. Moving up day has taken place and of course the children are very excited about their new teachers and rooms. Over the summer holidays, the class teacher will reach out to any of our pupils on the special needs register to help with their transition.

We would like to take this opportunity to congratulate Miss Shallcross in securing a teaching post in another local school for next academic year. I am sure you would like to join us in thanking her for the support she has given your children during her time at Hutton.

Thank you to everyone that came to parents' evenings. If you didn't manage to make an appointment and would still like to discuss your child, please contact the class teacher via Dojo.

I have had a parent offer to do some light gardening in the school and plant up the planters etc. If anyone would like to offer their support after school on Tuesday, then please do let the office know. No more than an hour, but bring gloves and a trowel if you can. I will provide the plants!

Have a lovely weekend and enjoy the football, Wimbledon the cricket or whatever your choice of relaxation is.

3 - Our Summer Fete will be held on Tuesday 21st July straight after school. We would be very grateful for any helpers who can offer some time leading up to the event to help with preparations as well as helping on stalls on the day. Each class will be organising a game for the Fete and we would be very grateful if parents would help supervise and support their children

in running the games on the day. Once the children have chosen their game, we will let you know. If you are able to help, please can you let your class teacher know, even if for a short period of time.
