Drop off and Collection

Drop Off and Collection

September 2026 - 2027

We are making some changes to the way that children are dropped off and collected from school. These changes are to increase the opportunities for communication with class teachers and to increase the safeguarding of all our school community. Please support us in creating a safe and calm environment at these times by following the guidance and continuing to show our community respect and positivity.

DROP OFF:

- Gates will be open from 8.40-8.50 am. The gate will be manned by members of Senior Leadership Team and members of our Inclusion Team.
- Please only use the front pedestrian gate. Please note, the big vehicle gate will now be locked at 8.15am and remain locked until 3.30pm
- All children to enter the school via the main green gate (as previously done so)
Parents of children in Reception - Year 4 are invited to take their children to the classroom door where the class teacher will be waiting for them. Please note that if you wish to communicate anything to the class teacher at this time, please ensure it is brief as they will also be welcoming other children into school and then begin their teaching at 8.50am. Children in Year 5 and 6 are encouraged to come in through the green gate independently and take themselves up to their classrooms. If parents have anything they need to communicate to the Year 5 or 6 teachers, you can pass a message with the staff on the gates, contact the main office or contact the teacher via Dojo.

COLLECTION:

- Please enter and exit the school site via the main front pedestrian gate.
- For children in Reception, Years 4, 5 and 6 parents please queue at the green gate (same as drop off) in year group lines. The children will be lined up waiting inside the gate. Once you reach the front of the queue for your child's year and the class teacher acknowledges you, your child will be released to you.
- For children in Year 1,2 and 3, please queue in year group lines by the black gate. This is located to the side of the Year 1 classroom (previously Year 6). This will be signposted and staff will be on hand to direct you for the first few days. The children will be lined up waiting inside the gate. Once you reach the front of the queue for your child's year and the class teacher acknowledges you, your child will be released to you.
- To ensure the safeguarding of all of our children, If someone other than yourself are collecting your child (grandparent, aunt, uncle, family friend, another child's parent) you must contact the office via Dojo before midday informing them of who will be collecting and providing a password that the class teacher will ask the person collecting. If it is an emergency or after midday, please call the main office with the

same information. If we are not aware that someone else is collecting and no password is given, your child will not be allowed to go with them and we will call you for confirmation.

- Children must not be collected by anyone under the age of 16 – even with written permission.
- If you have more than one child in the school, please collect your youngest child first.
- Y6 children – if you wish your Y6 child to walk home on their own, please fill out the letter that will be sent home giving permission. The children will not be allowed to walk home without this written permission so please ensure that there are collection arrangements in place until this written permission is given. Please Note: this permission is only for directly after school dismissal. Children will NOT be allowed to walk home alone from After School Club or any after school events – trips, clubs etc.
- If it is very wet, parents will be asked to enter the school site by the appropriate gates and collect their children directly from their classrooms. Year 5 and 6 will be in the hall and are to be collected from the exterior doors on these wet days.

BREAKFAST CLUB

- Children can arrive from 7.45am.
- Please drop off at the side door. Please ring the bell or call the number to say you have arrived and we will come and collect your child from you. You will be asked to sign your child in. Children are not to be dropped at the gate - all children must be handed over to school staff by an adult.
- Children can arrive up until 8.30. Breakfast is served until this time.

AFTER SCHOOL CLUB

- Children attending After School Club will be taken directly there by their class teacher. If you have not booked your child in, we will be calling you for confirmation that they are to attend.
- Please collect your child from the side doors on the main driveway. Ring the bell or call the phone number to tell us you have arrived and we will bring your child to you. You will be asked to sign your child out before leaving.
- If someone other than yourself is collecting from After School Club, you must inform the office by 3pm with who will be collecting and a password that they will be asked to provide. Without this, your child will not be allowed to leave with them and we will be contacting you for permission.

- Please note that After School Club finished at 6pm – staff finish at this time too – so please ensure you child is collected by this time. If your child is booked in until 4.30, please note that tea will not be provided for them. This is served at 4.45pm and is made for the numbers who have booked in and paid for this. Changes to Free School Meals We shared information on ClassDojo about upcoming changes to Free School Meals (FSM). These changes mean that all families who are currently receiving FSM will need to reapply. It also means that any families claiming Universal Credit may now be eligible for free school meals, which could result in a significant saving on dinner money. The system to recheck and apply is not yet available, but we will keep you updated as soon as further information is released.
