For the **second week in a row, Year 3 are our reading champions**, with the highest percentage of children reading three times a week! But can they make it three weeks in a row? **Come on, everyone else, let's see if another class can take the top spot!** 📖 Keep reading, keep logging and, most importantly, keep enjoying books together!*

Harvest Festival -Our Year 3 class have been very busy learning their lines for their Harvest play, thank you to everyone who has brought in donations of food, we really appreciate your support, all donations will be donated to 'Somewhere to go'. There is still time to donate, if you would like to support please can you bring in by 1st October, thank you. The Year 3 children will be performing their play on Wednesday 30th September at 2:30pm in the school hall.

SLT

A BIG thank you to everyone who has filled in their Mode shift questionnaires and returned them, the teachers have enjoyed talking about them with their classes and it was really interesting to learn about different modes of transport. You will have also received another fun activity for the children to take part in on their journey to school where they can look for items on their sheet and look forward to making the most out of their journey to school.

In the recent weeks we have had an increase of concerns from local residents about the parking of our parents at drop off and pick up times. Whilst they appreciate they live near a school and understand that the road will be busy at these times they are becoming increasingly frustrated with parents parking across their driveways restricting access to and from their drives. This is not ok and we would please ask you do not park across or right up to our neighbours drive ways.

Wishing you all a lovely weekend
